\***Conversion Customers** – Conversion customers installing qualifying heating equipment, indirect water heaters, thermostats and boiler reset controls are REQUIRED to apply for rebate reservation number and complete a separate rebate application. **Customer rebate applications with required documents MUST be postmarked within 60 days of rebate reservation request.** Energy Efficiency "Instant Rebates" will **no longer** be offered under National Grid Discounted Heating Equipment program. National Grid Energy Efficiency Heating programs have limited funding and may be terminated at any time or when funds have been depleted. National Grid Energy Efficiency Rebate applications are located on [www1.nationalgridus.com/energyefficiencyservices](http://www1.nationalgridus.com/energyefficiencyservices).

**Customers installing qualifying high efficiency heating equipment need to apply for these rebates at [www.smartenergy-zone.com/nationalgridny](http://www.smartenergy-zone.com/nationalgridny). All required documents need to be submitted within 60 days of application. Customers without internet access may call 1-877-316-9491. Please see rebate form for additional details.**

Customer acknowledges that Licensed Plumber is fully responsible to Customer for the installation and sizing of the heating equipment and that National Grid makes no warranties, guaranties or representations with regard to Licensed Plumber's installation. All offers are subject to terms and conditions and are subject to withdrawal by National Grid at any time. Offers for Long Island customers only who reside in National Grid territory where National Grid service is available. Rockaway Peninsula is part of the Long Island territory.
