

WORRYFREE®

This offer is available to PSE&G customers who are in good account standing. Other restrictions may apply. You must enroll by 1/15/25 to receive the promotional discount for the promotional period indicated on selected Protection Plans. After the initial 12 months of coverage, your plan will automatically renew annually, and you will be billed the standard monthly plan fee on your PSE&G bill. Subject to parts availability. Not all parts are covered. Response times will vary by seasonal demands and by the nature of the problem. WorryFree Plans do not provide priority service, regular maintenance, a guaranteed response time or annual inspections. To receive coverage, a separate plan must be purchased for each appliance of the same type (e.g., two refrigerators). You'll receive 10% off each contract ordered when you have three or more WorryFree Plans in effect. Visit pseg.com/terms for detailed terms and conditions. Prices are subject to change without notice. NJ sales tax is not included. The NJ Board of Public Utilities has not approved the prices offered. Preexisting defects are not covered. PSE&G WorryFree services are only available to customers located in PSE&G's service territory. Similar services can be provided by service companies other than PSE&G. A list of those service companies may be available from public listings, including telephone directories. Customers are not required to purchase WorryFree Services to receive safe, adequate and proper utility service or to take part in utility energy efficiency programs. WorryFree Plans do not provide for gas emergency service. If you detect a gas odor, have a gas appliance that will not shut off, or have a carbon monoxide concern, contact your local gas utility. PSE&G will provide to our gas customers, free of charge, such services as gas leak investigations and other safety-related services. ΔPremier heating plans only cover gas water boilers. Steam boilers are excluded. ¶An elite brand kitchen appliance can only be covered under a WorryFree Elite Brand Plan. Elite brands include built-in refrigerators and kitchen appliances which have the following brand name and/or manufacturer: Miele, Gaggenau, Sub-Zero, Wolf, Thermador, Viking, Bosch, Dacor, Fisher & Paykel, Bertazzoni, Jenn-Air, BlueStar or LaCornue.
